Dear Dean,

We are happy to convey that our university is consisting of well established cells for women working and the girl students studying in any of our constituent colleges. This is our positive part that we are doing very good to empower the women and to make them sure about their safe and happy time with us.

It is a matter of pride that the Provost, C. U. Shah University Dr. Ved Vyas Dwivedi is looking for interacting with all the female members of this platform on your campus. Sir want to share some views and to discuss some floating agendas among them.

All the deans and principals are openly invited to witness the same at their own college as per the schedule decided jointly by you & university probably before end of this semester.

Please update the university office through email/phone before 6<sup>th</sup> March, 5:00 pm

Thanking you,
