Guru Purnima Celebration

Guru Purnima is a festival which is celebrated in India and Nepal and not only celebrates the memory of Maharshi Veda Vyasa but is also a time dedicated to teachers – both spiritual ones and academic ones. It is observed on the full moon day, Purnima, in the Hindu month of Ashad – which falls around July or August on the Gregorian calendar.

The festival of Guru Purnima was celebrated at Smt. K B Shah (Vadivihar) Science college. There were special assemblies dedicated to the teachers, the ‘gurus’ to mark the event replete with speeches, songs and Mantras. Students of BCA, B.Sc.(IT) and M.Sc. IT (WT) actively participated and motivated.

Speeches and shlokas were read out from the Gita and the puranas which highlighted the importance of the Guru in our lives.
