REPORT ON MEGA EXPO VISIT TO GLOBAL ZALAWAD, Organized During 27, 28, 29
December 2019 at Surendranagar, Gujarat

An International Level Mega EXPO was conducted jointly by Ministry of MSME, Government of India and Zalawad Federation of Trade & Industries. It was held for three days on December i.e 27, 28, 29 2019.

Students of KBSSC (BCA & BSc IT 2nd, 4th, 6th semester) visited the Mega Expo on 27th December with Faculty members Ms. Kalpa R.Vora, Ms Niyati H Dave, Ms Bansari H Kotecha and Mr. Vinit. G. Siddhpura.

It was the first international mega exhibition in the Surendranagar district for the purpose of development of business and industries in Surendranagar city. Chief minister of Gujarat Shri Vijaybhai Rupani attend the opening ceremony and the opening of this mega expo was done by him. This exhibition was open for guests, visitors, exhibitors, sponsors and delegates and all other citizens. The exhibitors also provide an opportunity for startup ideas for entrepreneurship.

At start there was an incredible Art Gallery of Zalawad, more than 110 pictures was there demonstrating History, Culture, Life style, Places like Nal Sarovar, Little Rann of Kutch, etc of Zalawad.

There were many companies from private sectors and government as well including ISRO, ONGC, they were describing about their inventions as well demonstration in small props such as satellites or giving information about current technology and new mission like "CHANDRAYAN-2" and "MANGAL MISSION". There also some government policy exhibitors they were giving information about such government policy they were describing about rural and urban business regarding policy.

The whole exhibition was divided into various sections like Presentation Section, Art Gallery. There were separate section for solar energies, farming describing about farmer's work and germicides, chemical, beautician, medical and food courts etc. Solar energies exhibitors were describing about solar panels, solar heaters, solar lights, solar battery etc.

The masters of CADD also came there as the exhibitors and were giving such knowledge of such as mechanical CADD, electrical CADD, civil CADD, architecture CADD and were also giving ideas about business plans. There were also IOCL exhibitors in exhibition they were describing about refining oil and transportation of oil.

The hand crafters were also there they were describing their hand made hand crafts and they made them for sale. The hand craft like mud utensils such as a mud jag, mud pots, mud jar and statues etc. There were many events which were organized by them for entertaining purpose. The musical night performed by Padma shree Pankaj Udas and he won the heart of visitors by his heart touching voice and his classical songs.
