C. U. Shah College of Pharmacy and Research, Wadhwan organized the third refresher course for registered pharmacists on 17th & 18th February, 2018. The course was sponsored by Gujarat State Pharmacy Council, Ahmedabad. The course started with registration and refreshment at 9:00 a.m. All the participants were provided the printed course material, along with kit. Total 85 registered pharmacists were participated.

The inauguration function started with introduction and welcome of guests by Dr. Nishant A. Oza, Principal of Faculty of Pharmaceutical Sciences. Guests were felicitated after lightening the lamp. Dr. Ved Vyas Dwivedi sir (Pro-vost, C. U. Shah University) was the chief guest of the inauguration ceremony. He imbibes all the participants with their precious knowledge, views and ideas regarding the use of mobiles in this new era. Dr. Girish K. Goswami (Dean, Department of Sciences, C. U. Shah University) was the guest of honor and has given thought provoking address to all the participants.

Scientific session was started after the inaugural ceremony and first the lecture was delivered by Dr. Satyajit Sahoo (Associate Professor, C. U. Shah College of Pharmacy & Research) on Drugs Incompatibilities. He explained various types of incompatibilities and methods to overcome it. After that Dr. Nishant Oza (Principal, C. U. Shah College of Pharmacy & Research) has delivered an informative lecture on Patent laws. He focused on application procedure for filling patent in India.

After lunch the lecture was delivered by Dr. Akruiti Khodakiya (Associate Professor, C. U. Shah College of Pharmacy & Research) on Drugs Interactions. She discussed about various side effects of drug-drug interaction studies and explains about the advantages of website meant for enquiring the drug interactions.

The last lecture of the day was delivered by Dr. Jayesh Patel (Senior Drug Inspector, Food and Drug Control Administration) on Drugs and Magic Remedies Act. He explained regarding the act to control the advertisement of drugs in certain cases, to prohibit the advertisement for certain purposes of remedies alleged to possess magic qualities and to provide for matters connected therewith.

On the second day, after breakfast the morning session was started with a lecture by Dr. Ashok Patel (Associate Professor, B. K. Modi Government Pharmacy College, Rajkot) on Pharmacy Profession in India and advanced countries. He focused on various prospects and
