5AH03CIE1	Contemporary Issues in Indian Economic-1														

COURSE OBJECTIVES:

- The Objective of this paper at the post-graduate level would be to sharpen the analytical ability of the student by highlighting, and integrated approach to the functioning aspects of the Indian economy.
- Keeping in view the scope for alternative approaches, such an analysis is essential because the Indian economy is a unique amalgam of alternative competing and often conflicting Theories and a proper understanding of its working is imperative if the student is to comprehend the ramification that underline most of the observed phenomena in the Indian economic set-up.
- The emphasis of the paper is an overall social, political and economic environment influencing policy decisions.
- To develop all the themes, the course is divided into specific modules.
- Paper of planning and development and paper of policies for sector al development fulfill above objectives.
