IIIrd Faculty Research Seminar (FRS)

Third Faculty Research Seminar was held on 19th March 2016 at Faculty of Management Studies.

Dr. Girish Goswami, Dean Faculty of Science, C U Shah University discussed about molecular genetics and heterologous expression.

Prof. Deepak Sanghvi introduced the expert of the seminar Dr. Girish Goswami, Dr. Tejash Pujara offered his warm welcome to Dr. Girish Goswami, Deans of various faculties and Faculty members of C U Shah University.

The session was started with the introductory aspect of “*Genes*”. The discussion was focused on nature of *Genes* (A, T, G, and C) and its impact on human being.

Dr. Girish Goswami drawing reference from his research work on this topic explained the effect of Genes on DNA and how it helps medical science in curing various diseases. He has also explained the impact of genes on next generation with respect to inborn diseases.

During his discussion Dr. Girish Goswami threw light on importance of meditation and various good religious practices which are being followed since time immortal and its scientific rationale.

Important questions were raised by faculty members and Dr. Girish Goswami had provided detailed explanation of the same with lucid examples.

The FRS ended with the vote of thanks by Prof. Deepak Sanghvi. FMS humbly acknowledges presence of Dr. A. N. Sanghvi, Director Development, and other faculty members in third Faculty Research Seminar.

FMS expresses its gratitude towards BoM and Dr. Ved Vyas Dwivedi, Provost, C U Shah University for their kind approval and support.
