## **Celebration of World Cancer Day**

**World Cancer Day** is an international day marked on February 4 to raise awareness of cancer and to encourage its prevention, detection, and treatment. It aims to save millions of preventable deaths each year by raising awareness and education about cancer, and pressing governments and individuals across the world to take action against the disease.

The theme of World Cancer Day 2016-2018 will explore how everyone – as a collective or as individuals – can do their part to reduce the global burden of cancer under tagline of

**“ We Can, I Can”.**

To create Awareness among Students and to join an hand in campaign of fighting back Cancer, C U Shah Institute of Life Sciences, Surendranagar had organized an Awareness Talk and Informatory Lecture about Basics of Cancer and how to prevent it. under guidance and support of **Dr. Girish K. Goswami** Dean, Faculty of Science and prior permission and guidance of **Dr. Vedvyas Dwivedi**, Pro. VC, C. U. Shah University.

The programme was organized with the kind efforts of **Dr. Manish Soni**, HOD and Assistant Professor in Microbiology Department, and **Ms. Priya Mehta**, Assistant Professor in Microbiology Department. In addition, students of B.Sc., especially **Prem, Jaydeep and Dharmik** have taken hard efforts and initiative for successful implementation of this event.

**Ms. Priya Mehta**
